

## Smoothie Bike REQUEST FORM

Glenelg Shire Council & Portland District Health has donated a smoothie bike to the SEA Change Initiative ☺ As an effort to promote healthy lifestyles in the community, this group will be “hiring” the smoothie bike to community groups as requested. These can be used to promote healthy classroom parties, promote competition in healthy fundraisers, student wellness nights, in staff meetings, and much more! **Note: The availability of the Smoothie Bike is limited. We will do our best to match one of your dates, however availability is not guaranteed.** If the Smoothie Bike is unavailable, you will be contacted **via e-mail** to select another date.

### USER AGREEMENT

I, \_\_\_\_\_, attest that:

- All equipment will be **cleaned** and **returned** as per the user guide by the agreed upon return date
- I will assume responsibility for any damage beyond normal wear and tear and will reimburse SEA Change Initiative for such equipment
- I will only use the smoothie bike for its intended use, following the user guide
- Healthy options must be served
- I will complete and return the ‘Smoothie Bike Report’ with any photos no later than one week after my event
